

Journal Assignments for Mathematics 396

There will be **three** journal assignments during the term. There are three articles on **e-reserve** in the library, under Math 396. For each article you will be given a quiz on the content of the article. For each quiz you may bring one 3" x 5" note card to class. The note card should highlight the main points of the article. Each quiz is worth 20 points.

Journal 1 Quiz (*Why Not Just Tell Students How to Solve the Problem?*): **1/20.**

Journal 2 Quiz (Second Grade Professors): **2/3.**

Journal 3 Quiz (What is in the Daily News?): **3/10.**
