📝 Quiz 1 Monday Feb. 1 ✎   Edit ▾ 👤

Quiz 1 is available between 8:00 AM and 11:00 PM on Monday, Feb. 1, 2021. Once students begin the quiz, it will be timed for 1 hour to complete. At the end of the 1 hour time limit, any open attempts will be automatically submitted. This is an un-proctored closed-book quiz worth 25 points and consists of multiple choice, true/false and short answer/completion style questions. Students will not be penalized for typos or case-sensitive errors on short answer. The professor will individually review all of your questions / answers, and make adjustments to your Moodle automated scores as needed.
