

Landform		Material		Process	Image
	Definition / Explanation	Bedrock or Regolith	If regolith: alluvium?, colluvium?, lacustrine? eolian? poorly sorted/well sorted? Grainsize? Other?	Erosion/Deposition? Eolian/fluvial/karst/lacustrine/marginal marine/glacial/other?	Sketch or digital image capture
FLUVIAL LANDFORMS / RIVER PROCESSES					
Meandering Channel					
Braided Channel					
Floodplain					
Fluvial Terrace					
Point Bar					
Cut Bank					
Levee					
Delta					
Oxbow Lake					
Meander Scroll					

ES322 Landscape Analysis Worksheet

Using web resources, textbook, Google, Wikipedia, etc.
Provide a summary of the landforms listed below, with a sketch or image

Name _____

Landform		Material		Process	Image
	Definition / Explanation	Bedrock or Regolith	If regolith: alluvium?, colluvium?, lacustrine? eolian? poorly sorted/well sorted? Grainsize? Other?	Erosion/Deposition? Eolian/fluvial/karst/lacustrine/marginal marine/glacial/other?	Sketch or digital image capture
Drainage Divide					
Dendritic Drainage					
Radial Drainage					
Knick Point					
Alluvial Fan					
Bajada					
Playa Lake					
GLACIAL PROCESSES AND LANDFORMS					
Alpine Glacier					
Continental Glacier					
Periglacial

Name _____

Landform		Material		Process	Image
	Definition / Explanation	Bedrock or Regolith	If regolith: alluvium?, colluvium?, lacustrine? eolian? poorly sorted/well sorted? Grainsize? Other?	Erosion/Deposition? Eolian/fluvial/karst/lacustrine/marginal marine/glacial/other?	Sketch or digital image capture
Horn					
Cirque					
Arrete					
Lateral Moraine					
Medial Moraine					
Terminal Moraine					
Till					
Stratified Drift					
Esker					
Kame					

Landform		Material		Process	Image
	Definition / Explanation	Bedrock or Regolith	If regolith: alluvium?, colluvium?, lacustrine? eolian? poorly sorted/well sorted? Grainsize? Other?	Erosion/Deposition? Eolian/fluvial/karst/lacustrine/marginal marine/glacial/other?	Sketch or digital image capture
Kettle					
U-Shape Valley					
Drumlin					
Outwash Plain					
Patterned Ground					
DESERT PROCESSES, WIND, LANDFORMS					
Eolian Sand Dune					
Ventifact					
Yardang					
Desert Pavement					
Erg					

Landform		Material		Process	Image
	Definition / Explanation	Bedrock or Regolith	If regolith: alluvium?, colluvium?, lacustrine? eolian? poorly sorted/well sorted? Grainsize? Other?	Erosion/Deposition? Eolian/fluvial/karst/lacustrine/marginal marine/glacial/other?	Sketch or digital image capture
Transverse Dune					
Barchan Dune					
Parabolic Dune					
Loess					
TECTONIC LANDFORMS					
Fault Scarp					
Horst					
Graben					
Triangular Facet					
Sag Pond					
Inselberg
