

ES473 Environmental Geology

AEG Student Night Poster Session 2018

Poster Outline Template

- I. Introduction
 - a. 1 paragraph topic introduction, general statement, why is this topic important to river restoration?
- II. Overview of Focus Topic – Statement of the Problem
 - a. What are the three to four critical aspects of this topic
- III. Techniques / Methodology
 - a. What methods or approaches are used to mitigate the problem(s)
- IV. Example Case Study or Field Application
- V. Summary and Conclusion
 - a. 4 to 5 bullet summary of the key points and take-home lessons learned
- VI. References Cited
 - a. Format Model – Style of the Geological Society of America Bulletin

Author(s), Year, Title: Publisher/Journal Name, Volume No. / reference Information, pages
