

ES104 Cyber Thursday Class Assignment

Out-of-Class Assignment for Thursday July 11, 2019

The goals of this exercise include:

- (1) Watch the Oregon Field Guide Video on the Pacific Northwest Seismic Risk

- a. Oregon Field Guide – Seismic Hazards in Pacific Northwest

http://www.wou.edu/las/physci/taylor/gs104/OR_field_quakes.mpeg

Answer the Video Review Questions:

http://www.wou.edu/las/physci/taylor/gs104/OR_field_guide_video_ex.docx

- (2) Read the following two magazine articles

“Rip 9 – Totally Psyched for Cascadia Earthquake” (Outside Magazine)

http://www.wou.edu/las/physci/taylor/gs104/the_big_one_cascadia_quake_predictions.pdf

“The Really Big One” (New Yorker Magazine)

http://www.wou.edu/las/physci/taylor/gs104/The_Really_Big_One%20New_Yorker_July20_2015.pdf

Read the articles and write a 500-word summary **for each article**, explaining key concepts and important points of concern. Use MS Word or other word-processing software to create your work in a neat, professional report, with name, date, and article titles
