

Colleges tend to say all kinds of nice things when they're talking about themselves. (Yes, we're guilty of it, too.) That's why we hope you'll do more than take our word for it, and come to experience Western for yourself. Take a tour of our beautiful campus, sit in on a class, meet with faculty and students, eat a meal, or stay for a game. To schedule your personal visit, call us at 877-877-1593, ext. 1, or go to wou.edu/admissions/visit.

See you soon!

don't take our word for it—**see for yourself!**
